FYI--We've received 12 comments so far on our proposed decision on OR's 6217 Program. All comments are now available online: <http://coastalmanagement.noaa.gov/nonpoint/oregonDocket/publicComments.html>. We'll make additional comments available there as they come in.

I've also attached a spreadsheet summarizing the main comments. So far: 5 against our proposed decision, 3 supportive of it, and 4 unclear where they stand. Few comments so far provide substantive, on-point comments for/against the proposed decision although we did receive substantive comments from one former CNP insider against the decision (**Ex. 6 - Personal Privacy**).
